## FISTF advance tournament planning

### Reasoning:

Over the past 10 to 12 years, the critics towards the FISTF Board of Directors are a repeating issue, because it is easier to find critical points, than to resolve an issue itself. The information policy of the events in advance is therefore necessarily.

As a result of this direction, FISTF asks all clubs (not teams) to manage and plan there events ahead over the next **4 years**.

### Hosting an FISTF event → advance planing will secure:

The players planing of flights & booking hotels.	Location.	Address.
Sponsor contracts and political contacts.	Banners.	Advertisement.
Organizer & budget plans.	Time table.	Income.
Sports hall reservation is essential.	Date fixing.	Size of hall.
Contact E-Mail.	Webpage.	FB contact
		Other.

Development projects are to be included to promote SPORTS TABLE FOOTBALL.

### Including Youth:

The FISTF Boards main target is to motivate all clubs (not teams) world wide to take care for **youth work** and increase the number of players around the globe. Clubs should focus within their area or region, to promote our sport and go public to find youth and present sports table football to them.

**Leaflets and sport presentation flyers for public work is of great importance and necessary.**

Send **application** to FISTF BoD. Email: [board@fistf.com](mailto:board@fistf.com)
